StudentName:
Father's /Mother'sName:

Dear Parent/Guardian,

TCY-NBT (National Benchmarking Test) is an online test designed to give a clear idea to students of class VI to X (and their guardians), about skills expected from them and specific subject areas they need to work on to enhance such skills. Thousands of students from prominent schools across the nation have already appeared in this test and have benefitted from detailed **Analytix** (Formore details, visit: nbt.TCYonline.com)

There is no fee for taking the test. However students who wish to obtain a certificate and detailed report may deposit Rs 150 with their school.

Your ward's school is among the prominent schools to have taken the initiative to assess the specific development needs of individual students.

Director

Top Careers & You™

The participation in this test is not compulsory from the school's side, but the school have evaluated the detailed report of this test for some students and found it highly beneficial for the students.

Please send this letter to the class teacher after signing in either case.

- Would like my ward to participate
- Would not want my ward to participate
