

# TCY-NBT

## NATIONAL BENCHMARKING TEST

### Class VI to X

## TCY-NBT PARTICIPATION DETAILS

The schools can participate in the test in three different ways.

**1. The school can conduct the test in its own computer lab for all the students of the school.**

The test fee per student in this case will be Rs. 150/- (otherwise priced at Rs. 250/-) out of which Rs. 30/- are retained by the school to cover the expenses incurred while conducting the test. The minimum enrolment required is 100 students.

**2. The schools can motivate the students to appear in the test and collect the fee and deposit with TCYonline.com.**

The students may do the test at their own home or cybercafé etc. The test fee in such cases would be Rs. 150/- subject to a minimum of 100 students.

**3. The schools may motivate them to register for the test themselves through our website.**

The students would be paying the full test fee of Rs. 250/- in such cases.
